

ABOUT MDA TEAM MOMENTUM

MDA Team Momentum is a powerful and inspiring program that empowers ordinary people to do extraordinary things to save and improve the lives of people fighting muscle disease. The program enables novice and experienced walkers and runners to train for and participate in a half marathon or marathon to raise awareness and dollars to fight muscle disease. Offering world-class training, mentors, a solid community of support and inspiration every step of the way, MDA Team Momentum is not only changing the lives of people fighting muscle disease; it is transforming the lives of the walkers and runners who are moving their muscles to strengthen the families we serve. To learn more and to get involved, visit mdateam.org.

RACE PARTNERSHIPS

MDA Team Momentum currently partners with the following races and has entries available when these events become sold out. Don't see your race here? Join the MDA Endurance Series at MDAteam.org!
