***Cancer Society Relay for Life***  
***May 19-20***

THE RELAY WAS A GREAT SUCCESS! The unofficial last total I heard was that the event raised over \$154,000!!!

The Pacers ran 403 laps. (That's 3/4 of a mile over 100 miles.) We raised a total of \$5249.50! We won the award for most money raised by a team 1-15 members. Steve Rosenberg won 2nd place for most money raised by an individual. Way to go Steve!!!

We also won the award for most laps run by a team 1-15 members. There was a mix-up with another team that ran during the event. They had over 800 laps to their credit, however they didn't know they could only have one team member on the track at a time. So Janice managed to work things out, and we got a trophy! Thanks Janice.

The incentive prize orders have been placed. I'll let everyone know when they arrive.

A very big THANK YOU to Johnny and Janice Westmoreland for all the hard work they put into the Relay. They outdid themselves. Also, a thanks to those of you who helped raise money prior to the Relay and who helped set up and break down for the event.

Talk is that next year we are trying to get the Ag-Center in Perry. This will be a much larger facility. This year's event grew so much, we had several teams sharing tents in order to get all the teams on the field! Hopefully, the Ag-Center will be able to accommodate us with all our continued growth.

***Thanks again and look forward to next year!!!***
