Relay for Life

Once again, the Cancer Society's Relay for Life was a great success! The Pacer team raised \$5222.50. We ran 475 laps during the 18 hour period. The entire Houston County event has raised \$178,000! Thanks to everyone for their efforts to raise money. And for all the food we enjoyed that night!

Jim Herrin Memorial Stampede

The Jim Herrin Memorial Stampede 5K/10K is scheduled for August 18th at 7:30 am. This is the scholarship race put on each year by the Pacers which benefits a male and female high school student from the Houston County school system. Much preparation has already taken place. If anyone knows of a sponsor who would like to contribute, please let Charlene Earles know (929-3306) Just \$200 gets the sponsor's logo on the t-shirt. Lesser contributions and/or door prizes gets the donor recognized the day of the race. Talk the race up to all your friends. The more participants we have, the more scholarship money we can award.

Summer Social

We are planning a summer social for sometime in August. The date is still up in the air. I'll send something out with the information later in July.
